Wow. You two remind me of when Loren & I were so busy. The world I'd the Oyster. We skipped #13. Considered it bad luck so skipped. As for #61 not sure. Am on Gb presently but will search records when I return home. Will for sure be available in Oct to get together. Will look forward to it. Have plenty of room for you to stay with me. No need for hotel/motel. How long is your Japan visit? Please keep in touch. Lani

Lani,

Sorry we'll miss you in August but maybe we can get together in October when we return from Japan.

In the past eleven years the LNV T Association found all but two tugs: hulls #13 and #61. Would you mind checking the Lord Nelson corporate records to see if these two hulls were built? No need to keep searching if they weren't ;-)

If you find yourself near Tacoma on 20-22 August, please join us at the [LNV T Rendezvous](#). You'd be very welcome, even in a GB!

Take care, Dave

Oh darn, no, plan to be in British Colombia on my boat during August. Would loved to have seen you. Tried to sell boat, but no, so plan on using it instead. Have friends from Texas joining me, kinda of a "swan song" for us, as eventually will sell the GB. So glad to hear from you, keep in touch. (have enjoyed all the Victory Tug chatter. Lani The New Busy think 9 to 5 is a cute idea. Combine multiple calendars with Hotmail. [Get busy](#).)

Hi Lani,

Vicki and I are heading to Tacoma's [LNV T Rendezvous](#), 20-22 August, and were wondering if you'll be in Idaho around 17 August? We'd love to take you out to dinner, catch-up, and maybe even discuss Tugs ;-)

Take care, Dave

The New Busy is not the old busy. Search, chat and e-mail from your inbox. [Get started](#).
