Dear Joe and Arvilla,

The Lord Nelson Victory Tug Association is proud to present you with the enclosed plaque to commemorate your winning of the 'coveted' 2008 Tug Trek Trophy (T3). The T3 is an annual award given in recognition of an extraordinary cruise made by a Lord Nelson Victory Tug over the calendar year.

Our Villa #56 this past year spent 11 months completing a 6,801 mile circumnavigation of America's Great Loop. Your adventures with pictures and real-time position reports, as made available in your daily blog, allowed all of us armchair cruisers to tag along too.

Congratulations Joe and Arvilla!

Dave Howell  
President, Lord Nelson Victory Tug Association
