Dear Bob and Sandy,

The Lord Nelson Victory Tug Association is proud to present you with the enclosed plaque to commemorate your winning of the 'coveted' 2007 Tug Trek Trophy (T3). The T3 is an annual award given in recognition of an extraordinary cruise made by a Lord Nelson Victory Tug over the calendar year.

This award was established in 2008, but we believe your travels aboard Renegade #72 deserved special recognition. You've been cruising since 2003 and we thank you for sharing all of your cruising stories with us over the years in 'Tuggers'. Your myriad pictures and articles enabled us all to come along on your amazing journeys.

Congratulations Bob and Sandy!

Dave Howell
President, Lord Nelson Victory Tug Association
